ST. MARY'S HARBOUR OFFICE

LOCAL NOTICE TO MARINERS
No. 02/26

Seasonal (May until December) floating seawater intake installation, Pelistry Bay

Start date: 11th May 2026

Mariners are advised that the vessel 'Obervagh' will commence installation of the seawater intake (as shown in the pictures below) in the vicinity of Pelistry Bay, St Mary's, Isles of Scilly, from the shore out to a position:

49°55.65' N 006° 16.6'W

The pipe is of floating construction and is visible along its whole length. The seaward end is lit with an orange continuous flash every three to four seconds.

The installation is due to be completed by 15th May 2026.

For further information please contact South West Water on 01720 424381 or email hrichard@southwestwater.co.uk

LNtMs in force....
